

REALISE THE DREAM

National Awards for Researchers of tomorrow

This form is to be completed by the student who is being nominated for Realise the Dream and is to accompany the nomination material that the nominator sends.

Where did you get your idea for your research from?

What did you set out to do?

What were your conclusions?

If you had a chance to develop your research what would be next?

What have you learnt through undertaking this research/project

Who did you network with?

Have you communicated your research?

What have you gained from doing this?

What would you do differently?
